

MEMORANDUM

August 24, 2021

VIA EMAIL

TO: Commissioners, Conference Coordinators of Officials and NCAA Officials.

FROM: Penny Davis
NCAA National Coordinator of Women's Basketball Officiating.

SUBJECT: Coordinator meeting and Regional Officiating Clinics.

After much thought and consultation, we have decided to change the coordinator meeting and regional officiating clinics to a virtual format, similar to last year. This decision has been made after several weeks of discussions on whether conducting in-person meetings was safe for everyone involved. Unfortunately, the impact of Covid-19 Delta variant has caused us to rethink our plan and out of an abundance of caution we have made this adjustment.

Please see the information regarding the virtual coordinator meeting and virtual clinics below.

Coordinator meeting (all divisions):

Saturday, September 11, 2021 Time: 12:00pm to 4:00pm EST

Please note, national coordinators will be setting up a separate meeting for their division. Participants will receive a Zoom link prior to each meeting. **As a reminder, Division I coordinators must attend their virtual meetings as part of your AQ requirement. Division II and III coordinators must attend their virtual meetings to receive the NCAA conference officiating improvement grant.**

Virtual Clinics:

Sunday, October 3, 2021 11:00am – 3:00pm EST

Saturday, October 9, 2021 11:00am – 3:00pm EST

More information will be forthcoming on how to register for these events. **As a reminder, Division I officials must attend one of these virtual clinics to receive credit towards your championship eligibility.** Please mark your calendars accordingly.

We apologize for the short notice on these changes. More details will be communicated in the coming weeks. Stay safe everyone!

Best regards,

Penny Davis
